

Name: Christy Lozano District: District 2

1 . Why do you want to serve on the Santa Barbara Central Committee now? What do you aim to accomplish?

I would like to serve on the Santa Barbara Central Committee because I care about our community and I would like to see our party come together as a bigger team, with many talented people and share the work of strategizing and working together effectively and winning more elections.

2. What skills can you bring to the Santa Barbara Central Committee?

The skills I bring to the table are a passion for our community and a motivation for others to get involved in simple ways to create positive change. I am a good fundraiser and compassionate towards many subjects that can be affected like the schools. I am a hard worker and like to strategize about ways to get more bang for our buck.

3. What is your volunteer history?

My volunteer history and that I ran two campaigns in 2022, one for SB County Superintendent of Schools and the other for Goleta Union School Board, and in both campaigns did much of the work, walking precincts, giving speeches, having and attending events, fundraising, requesting endorsements, writing articles for the newspaper etc.

4 . What improvement(s) would you like to see made?

I would like to see the Central Committee come together as a team and share the work load to create a dynamic environment of adding voters to our party, facilitating the endorsement process, raising more funds, and getting more candidates elected. And as the saying goes “many hands makes for light work” so let’s keep adding to the already great individuals we have in the party.
